The BDAC Finance Work Group meeting scheduled for Friday, October 23 has been canceled. There will be no BDAC Finance Work Group meeting before the next BDAC meeting on October 29. At this point, there wasn't enough feedback since the last meeting to make any drastic changes to the Financing Plan. In addition, there will be some new staff members added to the finance team here at CALFED, and we would like to get them involved before the next meeting.

We are still taking written comments on the financing plan, which you can direct to me.

I will inform all of you when a date is set for the next meeting.

Thank you,

Mike M.
